Simple Stunning Parties at Home

Throw Mom a bash, then give her some inspiration for her next one. Entertaining expert Karen Bussen (who has worked with no less a lifestyle guru than Martha Stewart) has written a "less waste/more taste" guide for wining and dining — even when the recession has everyone else whining and pining. In *Simple Stunning Parties at Home*, Bussen demonstrates how to use readily available provisions to create inspired celebrations. \$26 at barnesandnoble.com.
